

District Beaver Scout Activities Afternoon

On Saturday 27th June , 72 Beaver Scouts descended on Youlbury for a fun and action packed afternoon.

There were bases making bookmarks and friendship bracelets. Bases pitching hike tents and tying knots. Ballista making and firing and Parachute play. As well as a wide game in the woods.

After tea the Beavers joined together with the Youlbury Camp fire before going home tired but exhilarated (and that was just the Leaders!)

Well done to all the Beaver Leaders that helped and organised the event.
